Mission

KIMO is committed to the development of sustainable coastal communities by:

- ~ Preventing pollution of the seas and coastal waters in Europe and preserving, improving and enhancing them for future generations**
- ~ Protecting coastal communities from the impacts of marine pollution and climate change.**

SUSTAINABLE SHIPPING

KIMO in the international Field

KIMO engages with the most serious environmental threats using practical, diplomatic and research based approaches:

- ~ **Through lobbying**
- ~ **Through demonstrative projects**
- ~ **Through research**

KIMO in the international Field

I would like to discuss four subjects:

- ~ **Air pollution from ships**
- ~ **Shore Power connections for ships in harbors**
- ~ **North Atlantic and Arctic Shipping Routes**
- ~ **Pollution of paraffin and other cargo residues**
